Creating Trust Online™

## Comodo Affiliate Program

Immediate long term revenues.  
Fast, no hassle set up.

# The Comodo Affiliate Program

Comodo's industry leading affiliate program enables organizations of all types to generate immediate and recurring revenues by offering Comodo's highly successful range of SSL certificates and vulnerability scanning services to their customers - further enhancing their existing product portfolio with a value added security product from a globally trusted brand.

The affiliate program is extremely quick and easy to set up and requires **zero** integration work on your part. Organizations may choose which Comodo products to offer to their customers and by simply placing content provided by Comodo onto your website, Comodo handle the rest of the process including billing, provisioning and support.

Comodo will track all orders originating from your website and pay referral fees on all completed sales. Payments will be credited to you on a monthly basis.

## Immediate returns with a proven product portfolio

**Comodo SSL Certificates** - Comodo is the second largest High Assurance provider of SSL certificates and a name your customers can trust. Not only that, but our certificates are the most cost effective on the market whilst offering commerce websites the same 128/256 bit level of security as higher priced certificates by VeriSign or Thawte.

(More details - [www.instantssl.com](http://www.instantssl.com))

**Hacker Guardian Daily Scanning Service** – Daily web server vulnerability testing service that simulates over 11,000 attacks on a clients server every 24 hours. After passing the tests the merchant website is awarded the highly visible HackerShield logo – meaning their customers see instant, real time verification of their security credentials whenever they roll their mouse over the logo.

(More details - [www.hackerguardian.com](http://www.hackerguardian.com))

**Content Verification Certificates** – Revolutionary website identity solution that provides conclusive proof to online shoppers that a website is genuine and not a fake phishing site. A simple mouse-over lets customers verify website logos, login boxes and website graphics in real time.

(More details - [www.contentverification.com](http://www.contentverification.com))

**Corner of TrustLogo** – Each Comodo certificate comes with a FREE TrustLogo worth \$119. Providing your customers with real-time identity assurance through convenient "point to verify" technology, TrustLogo enhances trust and confidence in your online identity and gives customers the confidence to buy from merchant sites.
